

BLACK STREAK REMOVER™

• **EASILY REMOVES STUBBORN BLACK STREAKS FROM FIBERGLASS, ALUMINUM, PAINTED BOATS, R.V.'S AND TRUCKS**

DIRECTIONS:

Wet special MARINE POWER MITT™ with water and squeeze out excess water. Apply BLACK STREAK REMOVER™ to MARINE POWER MITT™. Start at top and work down. Wipe away black streaks and rinse clean. Dry with Boat Chamois.

Apply protective coat of PREMIUM BOAT SHINE™ to seal surface and make black streaks easier to remove.

**DO NOT FREEZE
SHAKE WELL BEFORE USING**

WARNING:
HARMFUL IF SWALLOWED.

FIRST AID TREATMENT:
Contains Pine Oil.
If swallowed, give one cup of milk or water.
SEEK MEDICAL AID.
