

# FABRI-KLEAN™

FABRIC CLEANER

## DIRECTIONS:

### OUTDOOR FABRICS:

Wet fabric with fresh water. Spray FABRI-KLEAN™ onto surface and scrub with a scrub brush. Rinse and allow to air dry. Protect with CANVAS SHIELD™.

### INDOOR FABRICS:

Vacuum fabric twice. Mix 1:5 with water. Agitate mixture with a sponge or whisk to generate foam. Apply foam to fabric with sponge and scrub surface. Remove moisture and soil with a Wet/Dry vacuum cleaner. Allow to dry. Vacuum when dry. Protect with CANVAS SHIELD™.
